The Seamless Customer Engagement Solution!

By upQRade

WHAT IS PAYMENTQR?

THE CURRENT SCENARIO:

- *Customer interaction is mostly limited to transactions and manual actions.*

- *QR codes exist but are typically limited to a single payment app.*

- *Leaving reviews, sharing contacts, or accessing services requires extra steps, making it inefficient.*
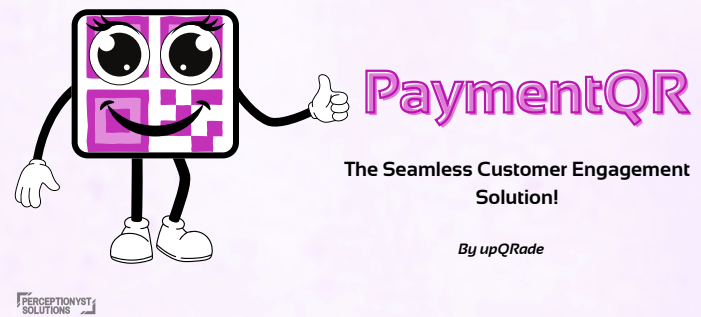

WHAT IS PAYMENTQR?

THE PROBLEM:

- *Customers often need to scan multiple QR codes for different services.*

- *Manual processes for reviews and feedback are cumbersome.*
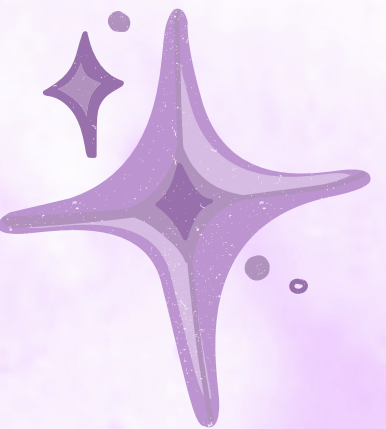

WHAT IS PAYMENTQR?

THE SOLUTION:

PaymentQR is an all-in-one QR code that combines payments, reviews, social media, contact info, and more — streamlining customer interactions.

KEY FEATURES

>>> ACCEPT PAYMENTS THROUGH MULTIPLE OPTIONS

>>> DISPLAY BUSINESS INFORMATION FOR EASY ACCESS

>>> COLLECT CUSTOMER REVIEWS AND RATINGS EFFORTLESSLY

>>> ENABLE DIRECT CUSTOMER CONNECTIONS VIA THE CONNECT FEATURE

>>> LINK ALL YOUR SOCIAL MEDIA ACCOUNTS IN ONE PLACE

>>> ENCOURAGE REFERRALS AND WORD-OF-MOUTH MARKETING

HOW IT WORKS?

01   *Generate a unique QR code via the PaymentQR portal.*

02   *Place the QR code at your business location.*

03   *Customers scan the code to access a custom interface for payments, reviews, social media, and more.*

04   *All interactions happen seamlessly, without extra manual effort.*
